Equal Opportunity for Individuals with Disability

The contractor must comply with all provisions of the Americans with Disabilities Act (ADA), P.L 101-336, in accordance with 42 U.S.C. S121 01 et seq.

The contractor and the Trenton Board of Education (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

TRENTON BOARD OF EDUCATION

Request for Proposal RFP

TECHNICAL SPECIFICATIONS

Jayne S. Howard
School Business Administrator/Board Secretary

INTRODUCTION

The Trenton Public Schools (TBOE) is requesting proposals from licensed, area child care centers and/or child care providers to enter into a sub-contract to provide child care and transportation services for custodial teen parents attending Trenton Central High School (TCHS) as a part of the Trenton School Based Youth Services Program (SBYSP) – Parenting Linking Program (SBYSP PLP).

Funded by the State of New Jersey Departments of Children and Families (NJ DCF) and Human Services (NJ DHS), the function of the SBYSP PLP is to minimize the barriers associated with educational success and effective teen parenting, such as: school dropout, child abuse, lack of effective parenting skills, poverty, and non-access to child care. It is anticipated that teen parents who participate in the SBYSP PLP will attend school regularly, demonstrate academic proficiency, develop effective parenting skills, and develop a sense of responsibility regarding the development of their children. Long term goals for each participant is that each will complete his/her high school education, obtain employment and/or acceptance into a college or vocational school, maintain effective parenting skills, and maintain his/her children's enrollment into next level schooling.

PURPOSE

Research has shown that, with proper service coordination and support, teen parents can be successful at attaining educational goals.

Child Care - Child care services allow for a safe, nurturing, and stimulating environment that serves to enhance child development and to strengthen the relationship between the child and parent. The TBOE will maintain a sub-contract with a local child care center/child care provider to provide infant/toddler child care services for children of parenting teens attending TCHS. The sub-contractee will provide child care services for up to twelve (12) students and their children, ages 0-3. Each parenting teen will be required to register for child care subsidy through the State of New Jersey e-Child Care Program.

Transportation - Transportation services are needed to enable school age parents to successfully meet their parenting responsibilities while maintaining school attendance. Transportation coordination must include transportation before and after school hours as such: Before school - from each teen parent home to the child care center/school. After school - from the child care center/school to each teen parent home. The sub-contractee must be able to schedule and provide adequate and appropriate transportation services for at least twelve (12) TCHS SBYSP PLP participants and at least twelve (12) of their children, ages 0-3 at all times, before and after school.

POPULATION DESCRIPTION

The Trenton Public School District (TPS) is an urban school district with about 14,650 students (grades PREK through 12) in 20 schools. The district participates in the USDA's Universal Free Lunch program after decades of more than 75% of students being eligible for free or reduced lunch.

All participants in the SBYSP PLP program shall be custodial teen parents attending TCHS.

The Trenton Central High School (TCHS) campus accommodates approximately 2000 students, grades 10-12. The ethnicity breakdown for TCHS is: 63% Hispanic, 35% Black, .6% White, and .3% Asian.

TBOE PROVISIONS

All childcare services will be provided at the TCHS Child Care Center, 400 Chambers Street, Trenton, which houses a fully furnished child care center. All facilities and maintenance costs will be assumed by the TBOE. Applicants need only utilize funds received from the TBOE to provide transportation services and for some operational and programmatic costs.

The TBOE shall provide the following staffing and will **not** be the responsibility of the sub-contracted daycare/transportation provider:

- The SBYSP Coordinator - shall be responsible for all administrative oversight of the SBYSP PLP Comprehensive Program
- The SBYSP PLP Case Manager - shall be responsible for the provision of services that include: recruitment of participants, individual case management, coordination/facilitation of parenting education/life skills groups, provision of family and home visits as necessary, maintaining appropriate student case management files, collaboration with child care center and other resources to provide appropriate service to clients, and advocating for appropriate resources for teen parents and families within the school and community. In addition, the Case Manager shall monitor school attendance, childcare attendance, educational progress, and infant care, and shall be responsible for linking teen parents to programs and services deemed necessary for success.

APPLICANT REQUIREMENTS

Applicants responding should be a licensed NJ childcare provider who, **in accordance with New Jersey State Childcare regulations**, is able to provide child care and transportation services to infants and toddlers ages 0-3. It is required that, upon commencement of services, the provider must be registered with the local Child Care Resource and Referral (CCR&R) agency. The Provider will receive payment for childcare services through the CCR&R's e-Child Care System. The CCR&R for Trenton High School is Child Care Connection, 101 Spruce Street, Trenton, NJ, 08638, 609-989-7770.

Scope of Work: The sub-contractee will provide childcare services for up to twelve (12) TCHS participants for their children, ages 0-3. The sub-contractee is also expected to provide transportation services for up to twelve (12) TCHS participants, and up to twelve (12) of their children, ages 0-3. **Twelve (12) childcare and (24) transportation slots must be available at all times.** Services shall be provided five days per week, Monday through Friday, for 10 months, based on the TBOE calendar and school bell schedules, beginning September 2022, and ending in June 2023. Transportation coordination must ensure that SBYSP PLP participants arrive to school on time.

Limitations: All daycare services will be provided at TCHS Child Care Center, 400 Chambers Street, Trenton, which houses a fully furnished childcare center. All facilities costs will be assumed by the TBOE. Applicants need only apply for funds beyond the subsidy amount to offset costs for staffing, provide transportation services, and for some programmatic costs.

Upon award of sub-contract, Awardee must apply for and maintain licensure for the facility in accordance with New Jersey State Child Care regulations.

Upon award of sub-contract, the provider must be registered with the local Child Care Resource and Referral (CCR&R) agency.

Contract award is contingent upon Trenton Board of Education approval. Funding is contingent upon the NJ DCF award to the TBOE.

PROPOSAL FORMAT

Cover page: Include title of proposal, name of organization, name and position of individual(s) responsible for proposal, address, phone and fax numbers, and e-mail address.

Consultant Qualifications/ Organizational Structure: List personnel to be involved and attach resumes. Describe staff roles as they would relate to proposed program. Include current description of organizational structure (i.e. profit/nonprofit, number of employees, hierarchy, years in operation), and experience in performing work of similar nature, a copy of current child care license, names and telephone numbers of two (2) business references.

Since the SBYSP PLP is a comprehensive, multi-service model, staff must possess a wide range of knowledge and skills to ensure quality programming for parenting teens, their families, and their children. It is recommended that, at a minimum, the following positions be included in the applicant proposal. Each person hired should possess required skills/credentials as outlined in the State of New Jersey Department of Children and Families Manual of Requirements for Childcare Centers (2017-2024):

- (1) Head Teacher
- (3) Child Care Worker
- (1) Driver / Transportation Provider

In an effort to remain cost effective, the responsibilities of the recommended positions may be intertwined as needed (i.e. the Head Teacher may assume responsibilities of a Child Care Worker, a Child Care Worker may assume responsibilities of a Driver). However, the applicant should ensure that the proposed organizational structure reflects NJ State regulation ratio requirements at all times. Positions must be dedicated to the childcare program based on the required number of hours per week per position according to the State of New Jersey Department of Children and Families Manual of Requirements for Childcare Centers.

Project Plan: Must include a detailed project plan with specific project deliverables that reflect how the agency will provide childcare *and* transportation services. Include proposed organizational structure for proposed services reflecting NJ State regulation ratio requirements. Include the number of staff to be hired and their roles. Also include a backup plan for any unanticipated vehicle mechanical difficulties and/or unavailability of transportation services. Project plan should also include mechanisms to ensure on-going, consistent communication and collaboration with the SBYSP Coordinator and Case Manager, in an effort to ensure appropriate support services and resources to teen parents and their children. Plan should also include the mission, purpose, goals and objectives, and should reflect a commitment, understanding, sensitivity, and competence in dealing with teen parents.

Questionnaire:

1. Describe your agency's overall mission and childcare philosophy.
2. What is the history of your agency's experience in providing comprehensive childcare services, particularly to parenting teens?
3. Does your agency utilize a tool/technique to monitor/track child development? In this answer, please include whether or not your agency utilizes curricula such as "Ages and Stages Questionnaires," "Creative Curriculum" and/or "Denver Developmental Screening Test."
4. Describe your agency's level of commitment to staff selection, development, professionalism, and evaluation.

5. What steps will your agency take to prepare your staff for optimum support to teen parents? Please include the implementation of any trauma informed practices.
6. How has your agency provided services to multi-stressed children and their families?
7. With what support services/agencies does your agency have an active relationship that can further support the project's goals? Specifically describe how your agency would collaborate with these agencies and the services that you anticipate they would provide.
8. What advantages can your agency offer the TBOE that other agencies cannot?
9. What letters of support can you provide from any TBOE division and/or the Trenton community at-large? (Please attach)
10. Does your agency provide customer satisfaction surveys to customers? What have been the results and effects? (Please attach a copy of the survey).
11. Please describe your program evaluation process and include any available results.
12. Please attach a copy of your current childcare manual
13. What justification and/or documentation can you provide showing effective collaboration with any SBYSP site, and/or any other appropriate program, school, or community personnel? Describe those collaborations.
14. Is your agency able to provide transportation as outlined? If so, please ensure that your Project Plan thoroughly describes the transportation service; If not, what would your agency need to effectively provide transportation as outlined? Please provide an ideal but practical transportation budget that would indicate the costs to provide effective transportation services. Please consider a partnership with a transportation provider or the TBOE itself.

Budget: Utilizing the State of New Jersey, Department of Human Services (DHS) 2024 Maximum Child Care Rates, include all costs associated with proposal including those beyond the cost of childcare. Child care slots will be funded via the NJ e-Child Care System. Budget should reflect the total operating costs, including transportation, and include any in-kind services and funding from other sources. **Basically, the budget should reflect the amount you would need to operate effectively but practically. It is highly recommended that budgeting for staffing is based on hourly rates for staffing. Please also remember to note that there are no rent, facilities, or maintenance costs associated with the provision of services. All facilities and maintenance costs will be assumed by the TBOE.**
